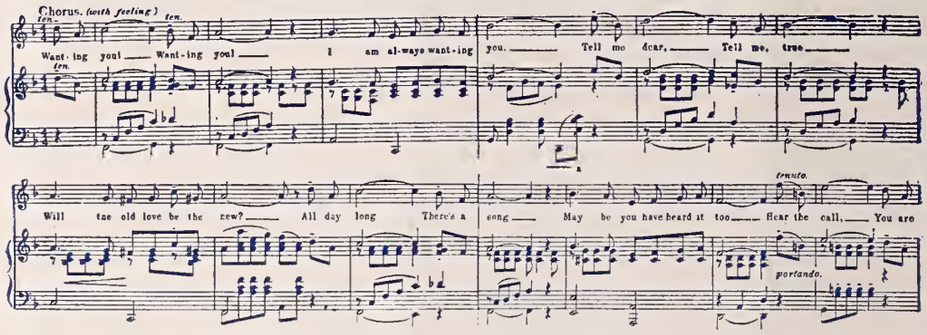
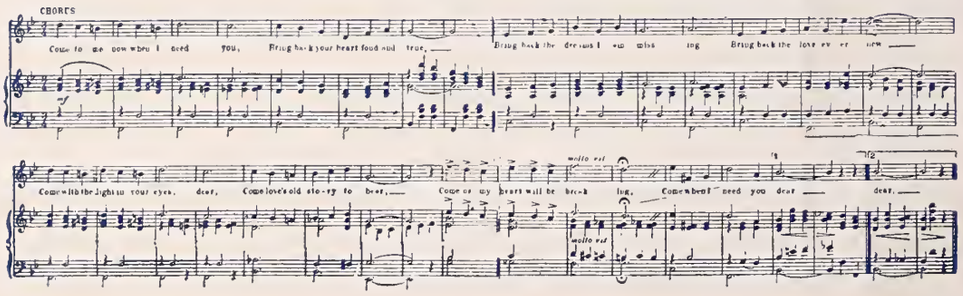
"BOWERS SONGS TOUCH THE HEART"

READ THIS!!

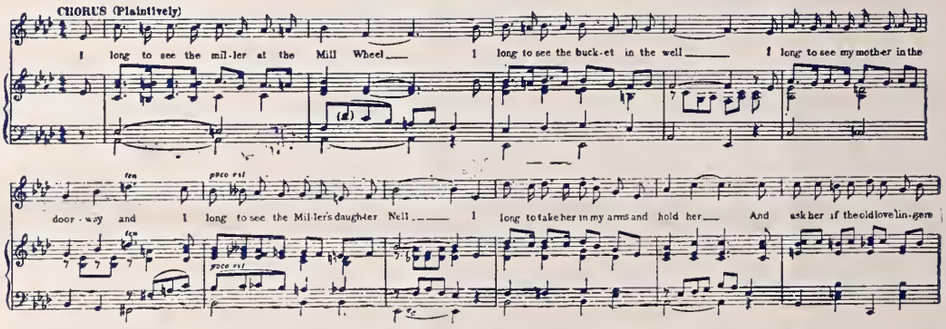
Frederick V. Bowers has written songs of the better class for over twenty-five years and has a world-wide reputation of writing "home songs" that appeal to the lovers of clean, wholesome ballads. His compositions should be labeled "Songs of Merit", because they "touch the heart strings" of grandma as well as little brother, sis and mother.



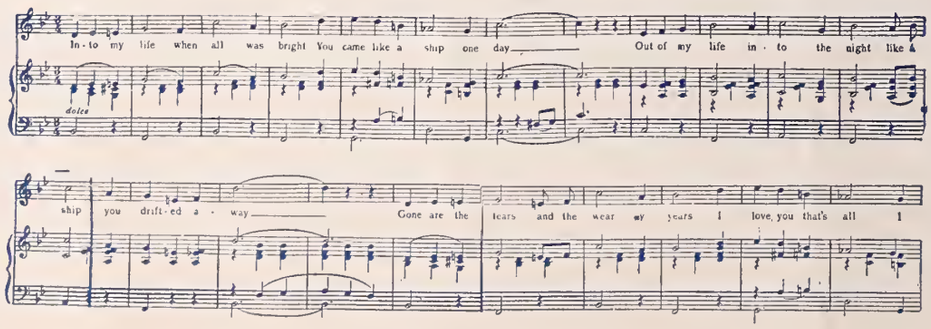
AFTER you've heard everyone praise such masterpieces as the well known "Because," "Wait" and "Always," please be skeptical enough to ask your music dealer to play this beautiful song for you. We know you will sing it over and over again and never tire of this unusual melody that will live forever.



HERE is a pretty love song which the title in itself suggests. Thousands will picture this story in their own lives and find joy and happiness to soothe their tired brains while singing "Come to me now when I need you."



A PRETTY ditty of the olden type, with a jingle to its melody that will bring you back to the days when you sat on mother's knee and roamed through the hills and dells without any care or strife.



A SURE gem which already has forced its way to the front with the best sellers. The melody will grow on you so, that it will actually ring in your ears. What is more beautiful than one of the lines in this song, "I love you that's all I say." Buy a copy and bring sunshine into your heart.
